

FOREST OPERATIONS MAP

Community Forest Agreement – K1L – Likely- Xatśúll Community Forest Ltd.

Notice is hereby given pursuant to Section 34.2 of the *Forest Planning and Practices Regulation* that a Forest Operations Map for CFA K1L – Likely-Xatśúll Community Forest Ltd. has been prepared and is available for review and comment. Community Forest Agreement K1L is located near the community of Likely B.C. and the Forest Operations Map shows the proposed cut block and road development within the Community Forest.

The Forest Operations Map is available for public review and comment by appointment, Monday to Friday, 9am to 4pm at the office of Likely-Xatśúll Community Forest Ltd. located at 6281 Rosette Lake Rd, Likely B.C. The Forest Operations Map may also be viewed, and comments made by appointment, Monday to Friday, 9am to 4pm at the office of Cedar Creek Silviculture Ltd. located at 922 Birch Lane, Williams Lake B.C.

The Forest Operations Map is available for public viewing online at:
<https://likelyxatsullcommunityforest.ca/lxcf-forest-operations-maps/>

The review and comment period for this Forest Operations Map will be 30 days commencing April 11th, 2024 and ending May 11th, 2024. Likely-Xatśúll Community Forest Ltd. may apply for Cutting Permits and Road Permits shown on this Forest Operations Map for a 3-year period commencing May 11th, 2024.

Please contact Matthew LeBourdais RPF at (250) 305-2800 or mattyacan@telus.net to view, comment, or if you require assistance viewing the Forest Operations Map.
